# Panel de Control

The screenshot displays the Windows Control Panel window. The title bar shows navigation icons (back, forward, up) and the address bar contains 'Control Panel'. A search box on the right is labeled 'Search Control Panel'. The main content area is titled 'Adjust your computer's settings' and includes a 'View by: Category' dropdown menu. The settings are organized into two columns. The left column includes: 'System and Security' (shield icon), 'Network and Internet' (globe icon), 'Hardware and Sound' (printer icon), and 'Programs' (CD icon). The right column includes: 'User Accounts and Family Safety' (people icon), 'Appearance and Personalization' (laptop icon), 'Clock, Language, and Region' (globe and clock icon), and 'Ease of Access' (circular arrow icon). The 'Appearance and Personalization' category is highlighted with a light blue border and contains sub-options: 'Change the theme', 'Change desktop background', and 'Adjust screen resolution'.
